BOOK SYNOPSIS

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearsons MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearsons MyLab & Mastering products. Packages Access codes for Pearsons MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- This title is only available as a loose-leaf version with Pearson eText, or an electronic book. In *Exceptional Learners* by Hallahan, Kauffman, and Pullen, readers get an up-to-date introduction to the characteristics of exceptional learners and their education that emphasizes classroom practices, as well as the psychological, sociological, and medical aspects of disabilities and giftedness. Based on the authors premise that professionals working with exceptional learners need to develop not only a solid base of knowledge, but also a healthy attitude toward their work and the people whom they serve, this book is designed to reach the heart as well as the mind. It asks both general and special educators to challenge themselves to acquire a solid understanding of current theory, research, and practice in special education, and to develop an ever more sensitive understanding of exceptional learners and their families. Video-Enhanced Pearson eText. Included in this package is access to the new Video-Enhanced eText for exclusively from Pearson. The Video-Enhanced Pearson eText is: Engaging. Full-color online chapters include dynamic videos that show what course concepts look like in real classrooms, model good teaching practice, and expand upon chapter concepts.
