BOOK SYNOPSIS

Jesus Among Other Gods: In his most important work to date, apologetics scholar and popular speaker Ravi Zacharias shows how the blueprint for life and death itself is found in a true understanding of Jesus. With a simple yet penetrating style, Zacharias uses rich illustrations to celebrate the power of Jesus Christ to transform lives. Jesus Among Other Gods contrasts the truth of Jesus with founders of Islam, Hinduism, and Buddhism, strengthening believers and compelling them to share their faith with our post-modern world. Deliver Us From Evil: With clarity and insight, Zacharias shows how many of today's most popular ideas, thoughts, and beliefs are vandalizing our culture. He shows how it is there, "in the depths of our innermost being, That the work of God changes what we want to do. This is not an ethical system calling us to civility. This is the transforming work of the grace of God, who calls us His children." He shows how: Secularization has led us to a loss of shame, generating evil even against those we love Pluralization has led us to a loss of reason, generating evil toward those we choose to hate Privatization has led us to loss of meaning, generating evil against ourselves
