BOOK SYNOPSIS

A Tragic Love Story Charlotte Dennis's mission was clear: distract and misdirect CIA operative Ian Taggart by any means necessary. If she failed, she would never see her sister again. With her training, it should have been simple, but after one night in Ian's arms, she knew that saving her sister would mean losing the man of her dreams. Ian was tracking a terrorist when he met the beautiful American daughter of a Russian mobster. His instincts told him Charlotte was trouble, but his body craved her like a drug and his heart would not be denied. She took his ring and his collar. For once he was truly happy. But as he closed in on his target, her betrayal cost him his mission while her sacrifice saved his life. As she died in his arms, Ian vowed he would never love again. A Dangerous Reunion For five years, Charlotte has thought of nothing but returning to her husband, her Master. Working in the shadows, she has devoted herself to earning a chance to reclaim her place in Ian's life. But forgiveness isn't a part of Ian's vocabulary. Nothing is more important to Ian Taggart than his new mission. But the information he needs is firmly in the hands of the woman who betrayed him. To catch his most dangerous prey, Ian will have to let Charlotte back into his life. As the hunt takes them to some of the world's most exotic locations, the danger grows and their passion reignites. Will Ian forgive his wayward submissive...or lose her again?
