## **BOOK SYNOPSIS**

The new Pelican Shakespeare series incorporates the more than thirty years of Shakespeare scholarship undertaken since the acclaimed original series, edited by Alfred Harbage, appeared between 1956 and 1967. The general editors of the new series of forty volumes—the renowned Shakespeareans Stephen Orgel of Stanford University and A. R. Braunmuller of UCLA—have assembled a team of eminent scholars who have, along with the general editors themselves, prepared new introductions and notes to all of Shakespeare's plays and poems. Redesigned in an easy-to-read format that preserves the favorite features of the original, including an essay on the theatrical world of Shakespeare, an introduction to the individual play, and a note on the text used. The new Pelican Shakespeare will be an excellent resource for students, teachers, and theatre professionals well into the twenty first century.
