BOOK SYNOPSIS

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book.

Discusses social work practices within the US educational system. This title is also available as a more affordable e-book. *Social Work Services in Schools* discusses major issues confronting education as well as practice directions for the design, delivery, and evaluation of social work in schools. Historical and contemporary concepts, policies, and evidence-based interventions in school social work services are closely examined. The seventh edition provides insight into the proposals and suggestions for a better education system, and offers supplement research and commentary to help reconsider the needs of public schools in the 21st century. Other materials include empirical findings described in professional literature, case illustrations of social work practice in schools, and interviews. *Social Work Services in Schools* is designed for individuals specializing in social work services in schools, as well as for those who are preparing to work in related agencies of the community.
